## **Annex 1: Tender Specifications**

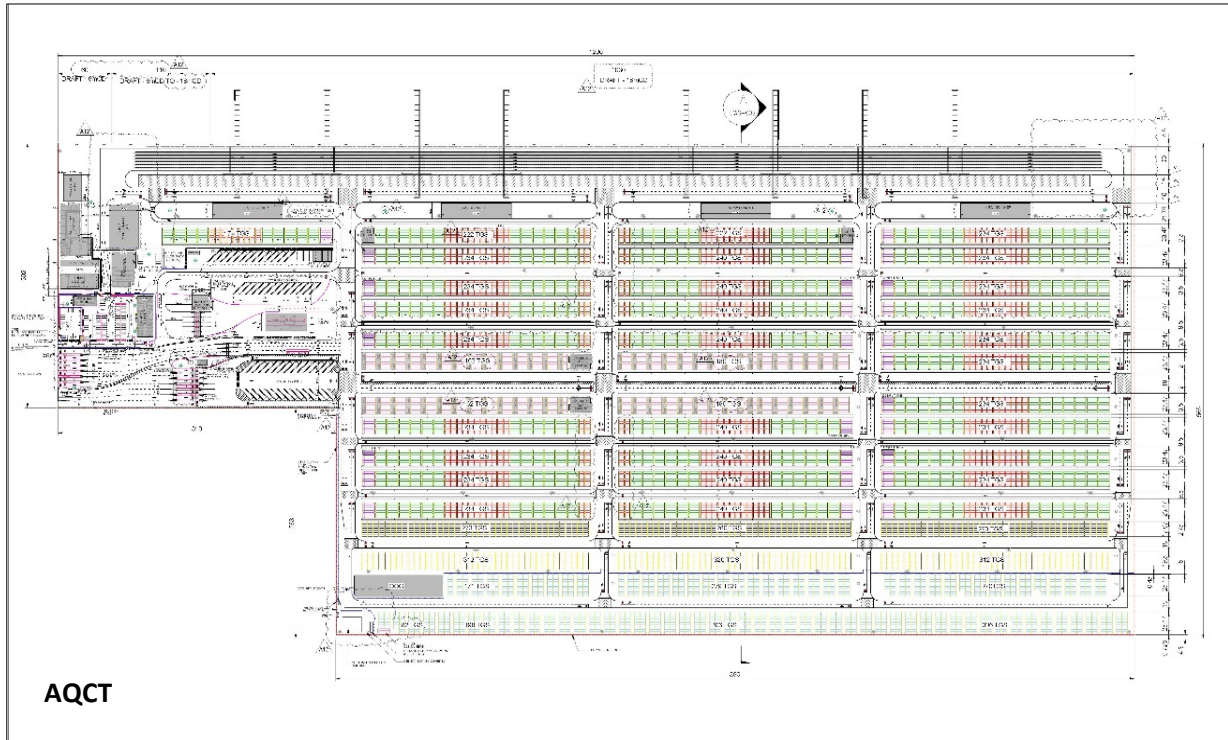

## **1. Introduction:**

Alexandria International Container Terminals (AICT) is a free zone company and operates two fully integrated container terminals at Egypt's main commercial ports of Alexandria Port and EL Dekheila Port since 2005. Both ports are located on the Mediterranean Sea and support both local and international trade activities in the region as Egypt expands its industrial base. AICT is a subsidiary of Hutchison Ports, the world's leading port investor, developer and operator.

On the 27<sup>th</sup> of August 2020, Hutchison Ports signed a long-term agreement with the Egyptian Navy to develop and operate a new container terminal at Abu Qir, Egypt. The new terminal (AQCT) will have a handling capacity up to 2 million TEU upon completion of all phases, and a total quay length of 1,200 meters with a draft of 18 meters capable of handling mega vessels of the future. The project includes provision for a 60-hectare, The location of the terminal is inside the Abu Qir Naval Base.

AICT (ALX / DKH) & AQCT intention is to apply a contract for civil maintenance includes but not limited to provide company with outsourced professional manpower, tools, and equipment to execute the service inside the terminal's premises in accordance with the company's priorities and planning.

## 2. Definitions

“AQCT”	Employer, owner means HUTCHISON Port ABU QIR – Private Free Zone Company
“AICT”	Employer, owner means Alexandria International Container Terminal (Alexandria & Dekhila), Private Free Zone Company

Contract Duration	36 Calendar Months (3 Years)
PSD	Performance Security Deposit (10%) contract value for contracted period of 36 months
“SOW”	Scope of Work
Urgent/Emergency works	Any urgent measures which in the opinion of the Engineer-in-charge, needs maintenance team attendance

### ***3. Purpose of the tender document***

Hutchison Port Egypt is seeking a vendors/bidder to supply skilled outsourced team to perform maintenance work for yard, buildings, and facilities of the terminal, in hereunder staff criteria, medical fitness, experience, and qualifications.

The selection criteria, medical fitness, experience, and qualifications are the main part of the contract (if required) or the order issued to the awarded supplier/vendor.

The place of acceptance of the supplies shall be AQCT and AICT.

### ***4. Disclaimer***

This Tender is not an offer but an invitation to receive offer from vendors/bidders. No contractual obligation whatsoever shall arise from the tender process unless and until a formal contract is signed and executed between AQCT/ AICT and the vendor/ bidder.

All information provided as a part of this Tender document to the prospective Applicants is subject to the terms and conditions set out in this tender and any addendum to the same (as and when issued in writing).

The purpose of this document is to provide interested parties with information that may be useful to them in the formulation of their Proposals pursuant to this tender. This tender document does not claim to contain all the information each Applicant may require. Each Applicant is advised to conduct its own due diligence and check the accuracy, reliability, and completeness of the information in this tender document.

AQCT/AICT may at their absolute discretion, but without being under any obligation to do so, Cancel, update, amend this tender.

## **5. Bidder Qualifying / Eligibility Criteria**

To be considered eligible for the award of the contract, tenderers must provide evidence that they meet or exceed certain minimum criteria described hereunder. Tenderer is advised to read these instructions carefully prior to preparing the tender bids:

- 1- Financial Competence:  
Average annual financial turnover of the Contractor during last 5 years should not be less than 30% of the estimated value of this work and the tenderer should submit audited balance sheet and Profit & Loss Account for the last three financial years duly certified by Chartered Accountant
- 2- Technical Competence:  
Contractors having experience of successfully completed similar works (Similar work means Civil Maintenance service for container terminals, factories, office buildings for governmental or reputed private sector companies / organizations during the last 7 years should be either of the following:
  - Three similar completed works each costing not less than 40% of the estimated value of this work.
  - The tenderer should have executed similar type of work in their own name shall be considered.
- 3- Copy of work order/ letter of award/ letter of work agreement alone shall not suffice the Bidder's claim for executing "Similar Works". Submitting completion certificate from the client on its letter head along with supporting documents is mandatory to qualify.
- 4- Subject to the restrictions outlined in this Tender Document, any Bidder may propose to sub-contract a part of the contract for specialized items of services, provided that the names and details of the sub-contracts are clearly stated in the bid submitted by Bidder and provided further that such subcontractor should not circumvent the eligibility condition laid down as per the Tender Document.
- 5- The tenderer should have minimum in-house manpower to cover requirements.
- 6- The Contractor shall provide qualified and experienced technical staff who had certificate ((تصريح مزاولة المهنة)) on site of work. The minimum staff shall be as per description of work mentioned in Bill of Quantities.

- 7- Declare agreement, conformity, and compliance with:  
Anti-barbery document.  
Hutchison Ports Group Policy 62-2021 Supplier code of conduct.
- 8- “No near relative” of the bidder firm/contractor be working/employed in AQCT or AICT
- 9- Submission of bids: proposals should be submitted in two separate envelopes namely, 'Technical Bid' (Part A) and Financial Bid' (Part B). The technical and financial bids duly sealed in separate envelopes must be kept inside a single third envelop and clearly super scribed as " **Providing Outsourced Staff for Civil Maintenance Services**" for AQCT and AICT, the envelope should be clearly marked as 'Technical Bid' (Envelop-I) and 'Financial Bid' (Envelop-II).

## **6. Instruction to the bidders**

**All the intending Bidders are requested to note the following important provisions:**

These instructions shall form part of the tender document.

1. The Part the tender document Technical Bid is to be read along with prequalification document and price bid.
2. Technical Bid contents:
  - Cover Letter: An introductory letter that summarizes the bidder's interest in the project and briefly highlights the key points of the proposal. It may also include contact information of bidders.
  - Complete tender document with each page signed and stamped by the bidder.
  - Copy of main maintenance staff qualification along with other technical, terms and conditions as specified in bid document.
  - Fully completed PQQ with an appropriately signed declaration.
  - Financial stability– bidder will be required to attach all supportive document.
  - Experience & Capability – bidder must provide evidence that they possess both technical competence and capability to deliver services under this contract, having provided similar services for a minimum of 5 years on similar contracts. Any bidder unable to demonstrate such evidence in the PQQ will fail.

- Certificates / Documents of work experience executed during last 5 (Seven) years with details for each project, owner, contract value, duration and similar.
  - Sub-contractors "if any" details: name, contact info, previous experience, certificate, and safety documents.
  - Health and safety all related documents such as: health & safety policy
3. Each Bidder shall be solely responsible for satisfying himself as to the information required to submit a Proposal and/or enter the tender and carry out the services in accordance with the Tender Document.
4. The Bidder at his own responsibility is encouraged to visit and examine the Site of Works and its surroundings and obtain all information that may be necessary for preparing the bid and entering a contract for the Works. The cost of visiting the Site shall be at the Bidder's own expense.
5. AQCT/AICT reserve the right, at any time, in their sole and absolute discretion and with no liability whatsoever, to:
- Amend the scope of or terms of the business opportunity described in the Tender Document.
  - Amend, terminate, or suspend any element of the Tender Document and/or Process, including.
  - By extending any date, time or deadline provided for in this Tender Document.
  - Reject or disqualify any or all Proposal(s) for any reason and without any obligation,
  - Compensation or reimbursement to any Bidder.
  - Waive any defect or irregularity in any Proposal or any non-conformity in the form or content of any Proposal and accept that Proposal.
  - Cancel the Tender Process and launch a new one.
  - Cancel the Tender Process and the whole Transaction.
6. The tender document shall be taken into consideration of only eligible prequalified agencies selected after scrutiny of their applications, supporting documents prequalification criteria and other requirements as indicated in the tender document.
7. Bidders are required to submit their Proposals in individually sealed envelopes/packages. comprising (1) a Technical Bid and (2) a Financial Bid, along with all further documentation as per requested in tender document.
8. All technical bids should have the page-wise heading as "Technical Bid" and page no. in all pages with seal and signature of authorized signatory.

9. The rates quoted in the tender shall **remain valid for a period of 4 months “120 Days”** from the due date of opening of the tender (Financial bid).
10. The conditional Financial Bids will be summarily rejected.
11. Tender currency: **Egyptian Pounds (EGP).**
12. If the tenderer deliberately gives wrong information in his tender or creates conditions favorable for the acceptance of his tender, AQCT/AICT reserves the right to reject such tender at any stage.

Providing all equipment, plant and tools needed for main maintenance team to perform their maintenance tasks with no extra charge.

d- Sewage holding tanks pump and cleaning – service in AQCT only:

pumping out and cleaning of sewage holding tanks: septic Tanks / sewage lifting station, storm drain and sewage manholes.

### ***α- Main Maintenance Team***

#### **1- Maintenance Engineer**

Sr.	Item	Minimum requirements
1	Quantity	1 (AQCT)
2	Qualification & skills	<ul style="list-style-type: none"> <li>➤ Bachelor's degree in civil engineering, facilities engineering, or related field.</li> <li>➤ Problem solving skills; verbal and written communication skills; familiarity with Auto CAD</li> <li>➤ Knowledge of the building process; knowledge of structural</li> </ul>
3	Years of Experience	5
4	Duties and Responsibilities (Not limited to)	<ul style="list-style-type: none"> <li>➤ To lead the maintenance team and work as technical expert for facility and associated infrastructure maintenance.</li> <li>➤ To provide guidance and recommendations to AQCT/AICT Civil departments to solve current facility, equipment, or utility system issues for various systems.</li> <li>➤ To prepare and provide daily, weekly, and monthly reports with all maintenance activities to AQCT /AICT civil manager.</li> </ul>

#### **2- Safety/Site Supervisor**

Sr.	Item	Minimum requirements
1	Quantity	3 (1 AQCT, 2 AICT)
2	Qualification & skills	<ul style="list-style-type: none"> <li>➤ HSE specialist certificates</li> <li>➤ Problem solving skills; verbal and written communication skills; familiarity container terminals site is preferred.</li> <li>➤ Approved from AQCT/AICT safety dept.</li> </ul>
3	Years of Experience	3
4	Duties and Responsibilities	<ul style="list-style-type: none"> <li>➤ To be always responsible for the safety performance of maintenance team.</li> <li>➤ Deal with AQCT's /AICT's HSE departments to issue needed work permit for each task.</li> <li>➤ Enforce Safe Work Practices.</li> <li>➤ Correct Unsafe Conditions.</li> <li>➤ Prevent Unsafe or Unhealthful Workplace Conditions or Hazards.</li> </ul>

### 3- Electrician

Sr.	Item	Minimum requirements
1	Quantity	3 (1 AQCT, 2 AICT)
2	Qualification & skills	<ul style="list-style-type: none"> <li>➤ High school diploma or equivalent required.</li> <li>➤ Competency &amp; occupational license / certificates تصريح مزاولة المهنة</li> <li>➤ Extensive knowledge of electrical systems and wiring.</li> <li>➤ Ability to use hand tools and power tools.</li> <li>➤ Proficient in the use of test meters and other diagnostic equipment.</li> <li>➤ Excellent problem-solving skills.</li> </ul>
3	Years of Experience	5
4	Duties and Responsibilities	<ul style="list-style-type: none"> <li>➤ Assemble, test, install, and maintain appliances, equipment, and fixtures.</li> <li>➤ Determine the causes of system and equipment failures.</li> <li>➤ Advise for critical systems that could be hazardous.</li> <li>➤ Urgent repairs and problem solving.</li> </ul>
5	Tools and equipment	<ul style="list-style-type: none"> <li>➤ Tool kit</li> <li>➤ Driller with complete drill bits set.</li> <li>➤ Approved voltage tester</li> <li>➤ Wire stripper</li> <li>➤ Fish Tape</li> <li>➤ Insulated screwdrivers set.</li> <li>➤ Electrical Tape.</li> <li>➤ Insulated gloves for electrical work</li> </ul>

### 4- Plumper

Sr.	Item	Minimum requirements
1	Quantity	3 (1 AQCT, 2 AICT)
2	Qualification & skills	<ul style="list-style-type: none"> <li>➤ High school diploma or equivalent preferred.</li> <li>➤ Competency &amp; occupational license / certificates تصريح مزاولة المهنة</li> <li>➤ Extensive knowledge of water and sewage systems and septic tank maintenance.</li> <li>➤ Ability to use hand tools and power tools.</li> </ul>
3	Years of Experience	3
4	Duties and Responsibilities	<ul style="list-style-type: none"> <li>➤ carrying out routine monitoring of water sources and sanitary systems.</li> <li>➤ Repair and maintain terminal water systems at buildings, yard, and Quay area.</li> <li>➤ Assists with remove and dumping Liquid and solid wastes “produced from septic tanks” to transfer site.</li> </ul>

5	<b>Tools and equipment</b>	<ul style="list-style-type: none"> <li>➤ Tool kit</li> <li>➤ Adjustable pliers</li> <li>➤ Propylene pipes welding machine</li> <li>➤ Adjustable wrench</li> <li>➤ Thread sealing tape.</li> <li>➤ Pipe blockage removal tools.</li> <li>➤ Gloves</li> </ul>
---	----------------------------	---

#### 5- HAVAC technician

Sr.	Item	Minimum requirements
1	<b>Quantity</b>	3 (1 AQCT, 2 AICT)
2	<b>Qualification &amp; skills</b>	<ul style="list-style-type: none"> <li>➤ High school diploma or higher education degree.</li> <li>➤ Competency &amp; occupational license / certificates تصريح مزاولة المهنة</li> <li>➤ Extensive knowledge of different HAVAC systems.</li> <li>➤ Ability to use hand tools and power tools</li> </ul>
3	<b>Years of Experience</b>	5
4	<b>Duties and Responsibilities</b>	<ul style="list-style-type: none"> <li>➤ Operate, maintain, and repair all equipment used for ventilation and air conditioning of terminal buildings.</li> <li>➤ Identify locations and types of all HVAC equipment and how they relate to each building.</li> <li>➤ Diagnosing electrical and mechanical faults for HVAC systems.</li> </ul>
5	<b>Tools and equipment</b>	<ul style="list-style-type: none"> <li>➤ Tool kit</li> <li>➤ Driller with complete drill bits set.</li> <li>➤ Manifold gauge set.</li> <li>➤ Coil Fin Straightener</li> <li>➤ Foam gun for AC cleaning.</li> <li>➤ Insulated screwdrivers set.</li> <li>➤ Electrical Tape.</li> <li>➤ Gloves.</li> </ul>

#### 6- Doors & windows technician

Sr.	Item	Minimum requirements
1	<b>Quantity</b>	2 (1 AQCT, 1 AICT)
2	<b>Qualification &amp; skills</b>	<ul style="list-style-type: none"> <li>➤ High school diploma or higher education degree.</li> <li>➤ Competency &amp; occupational license / certificates تصريح مزاولة المهنة</li> <li>➤ Extensive knowledge of different types of doors and windows.</li> <li>➤ Ability to use hand tools and power tools</li> </ul>

3	Years of Experience	5
4	Duties and Responsibilities	➤ Inspect, maintain, and repair terminal buildings doors / windows: wood, aluminum, steel... types.
5	Tools and equipment	<ul style="list-style-type: none"> <li>➤ Tool kit</li> <li>➤ Driller with complete drill bits set.</li> <li>➤ Sledgehammer</li> <li>➤ screwdrivers set.</li> <li>➤ Allen keys</li> <li>➤ Gloves.</li> </ul>

#### 7- Steel Fixer (Forger)

Sr.	Item	Minimum requirements
1	Quantity	1 (AICT)
2	Qualification & skills	<ul style="list-style-type: none"> <li>➤ High school diploma or higher education degree.</li> <li>➤ Competency &amp; occupational license / certificates تصريح مزاولة المهنة</li> <li>➤ Extensive knowledge of different types of doors and windows.</li> <li>➤ Ability to use hand tools and power tools</li> </ul>
3	Years of Experience	5
4	Duties and Responsibilities	➤ Inspect, maintain, and repair terminal buildings steel structures parts
5	Tools and equipment	<ul style="list-style-type: none"> <li>➤ Tool kit</li> <li>➤ Driller with complete drill bits set.</li> <li>➤ Pneumatic Nail Gun screwdrivers set.</li> <li>➤ Allen keys</li> <li>➤ Pry Bar</li> <li>➤ Gloves.</li> </ul>

#### 8- Unskilled worker

Sr.	Item	Minimum requirements
1	Quantity	4 (2 AQCT, 2 AICT)
2	Qualification & skills	<ul style="list-style-type: none"> <li>➤ Ability to read and write Arabic.</li> <li>➤ Competency &amp; occupational license / certificates تصريح مزاولة المهنة</li> </ul>
3	Years of Experience	2
4	Duties and Responsibilities	<ul style="list-style-type: none"> <li>➤ Cleaning up worksites from debris and machinery.</li> <li>➤ Work as a helper for maintenance technicians.</li> </ul>

		➤ Handling and transporting materials.
--	--	--

***Important Notes:***

- Above main maintenance team members shall be paid for full time work.
- the rates are applied for 36 months contract period, based on 5 working days/ week- from 9:00AM to 5:00PM.
